SECTION OF NOMENCLATURE,

ANNOUNCEMENT

WE take pleasure in presenting our trade price list of shrubs and plants. We are centrally located and our shipping facilities are of the best, being only eighteen miles from Boston on the Plymouth division of the N. Y., N. H. & H. R. R.

PRICES, PACKING AND DELIVERY

The articles in this list will be furnished at the annexed prices only when the quantity specified shall be taken. Five hundred will be furnished at the thousand rate; fifty at the hundred rate; and five at rate per ten. Our method of packing will be found equal to the best. Boxes and bales will be charged for at cost. We make it a point of Prompt Delivery, and the price quoted includes cartage to railroad or express office. Express companies now carry trees and plants to any part of the country at a reduction of 20 per cent from regular merchandise rates.

TERMS

Our terms are cash, unless by special agreement. We can ship by express C. O. D., when desired, with charges for collection added to the bill — provided 20 per cent of the amount of the order accompanies the same as a guarantee. Said guarantee will be required only from parties with whom we have no business acquaintance. All bills remaining unpaid December 1st in fall, and June 1st in spring, will be subject to sight draft without further notice.

Customers are requested to state the mode of conveyance by which they desire their trees forwarded. When no route is named we forward to the best of our judgment.

Responsibility — After goods are placed on board cars here we assume no responsibility for their safe or prompt delivery, or any injury caused by delay in delivery by the transportation company.

All Claims must be made upon receipt of goods.

DECIDUOUS SHRUBS

Our shrubs are given plenty of room and are frequently transplanted, and they lift with strong, fibrous roots.
